**2017 NICKEL & NICKEL
ELEMENT 28 CABERNET SAUVIGNON**

Deep garnet-purple colored, the 2017 Cabernet Sauvignon Element 28 is scented of ripe blackberries, boysenberries and black currant pastilles with touches of dried Provence herbs, lavender, cigars, tilled soil and fallen leaves plus a waft of dried sage. Medium-bodied, the palate is tightly wound and taut with great tension and firm, grainy tannins, finishing long and earthy.
