95 **NICKEL & NICKEL 2015 CABERNET SAUVIGNON
STATE RANCH**

The 2015 Cabernet Sauvignon State Ranch is powerful and explosive in the glass, with serious tannins that give the wine its dark, brooding personality. A rush of black cherry, gravel, smoke, game and spice flows through the mid palate and onto the imposing, structured finish. There is a lot to like, but readers will have to be patient, as the tannins are imposing. The State Ranch is one of the more brooding wines in this range today. **95 POINTS**
