## NICKEL & NICKEL 2015 ELEMENT 28

RATING **93**

The 2015 Cabernet Sauvignon Element 28 is a beautiful wine that has a lifted, perfumed character. Loads of flowers, violets, and underbrush notes, as well as an attractive core of blue fruits, flow to a medium to full-bodied, seamless, elegant red that has juicy acidity, fine tannin, impeccable balance, and a great finish. No hard edges and a fresh, focused style.
